Mr. Ed Gastle
Product Line Manager
JDSU

Subject : JDSU Certifier40G Approval

Dear Ed,

This letter is to inform you that SATRA PERU S.A.C. has approved JDSU Certifier40G Cable Certifier NGC-4500-FA to be used in testing SATRA's Copper Connectivity solutions for both Channel and Permanent Link test for Cat5e, Cat 6 internal performance.

The following configuration of Certifier40G is required.

Firmware Version : 4.5.1. or higher.
Certifier40GReporter software version 5.1.2 or higher.

Testing in our lab has found that the JDSU Certifier40G showed good correlation to a network analyzer on all Cat5e, Cat6 and Cat6A internal performance test. This is necessary to verify the performance of SATRA's Copper Connectivity Products in field installations.

SATRA also accepts the test results provided with this tester for all of SATRA's warranty programs.

We look forward to our continued partnership.

Sincerely,

A handwritten signature in black ink, appearing to read 'Alonso Saavedra', written over a horizontal blue line.
