How to update SmartFTH software

Solution/Steps Taken:

- 1. From the Software update section of the **Maintenance** screen, download on your PC the new FTH-9000 release from VIAVI <u>http://fth9k.updatemyunit.net</u> or <u>http://otu5k.updatemyunit.net</u>
- 2. Select the **Upload** button to upload the release from your PC to the FTH-9000.

You are asked to select the release to upload to the FTH-9000 with the Browse button.

3. Select the release (of the form *.tar) and upload it.

4. When the upload is completed, close the upload dialog and select **Update** button. You are asked to start the update.
